## TESTIMONIALS

“I rented my unit from one of your many leads. I could have rented it at least ten more times had I had more units! Thank you.”

“I have to tell you, your site is wonderful. It took us no more than 3 days to secure a contract. We had (otherwise) rented to a Canadian couple for the past three years and when they canceled at the last minute, it left us scrambling! Thank you for such an affordable, valuable resource. We’ve recommended your site to many others.”

“I just signed a new owner into our management program, and before the ink dried on the contract, I had booked the property for 3 months to snowbirds, through AmericanSnowbird.com. I have now listed 15 additional properties on AmericanSnowbird.com. The staff was very helpful in getting me setup with the new listings.”

“Each season through AmericanSnowbird.com I receive many, many inquiries on renting our home. The three years we have subscribed to your service, these inquiries have lead to successfully renting our home for all or most of the winter season. You have been so successful in helping to rent our home, we now list our home ONLY with AmericanSnowbird.com!”

"I just posted my house 2 days ago. My phone is ringing off the hook, as of now my house is booked for 4 months and we are currently working on 2 more months. Was skeptical of course being new to this, all I can say is OMG this really works. Thank you so very much, awesome job!"

**Helen Ferro**

"This is where we post our vacation homes in Bullhead City, AZ (near Laughlin, NV) to rent to the snow-birds during the winter months and has worked out wonderfully! We have rented out our 1st home for 3 months in 2017-2018 season. Now entering my second season of 2018-2019 with (2) homes, American Snowbird's made it easier and stress free. With everyday life I need this easy website to post my homes pictures and availability. Thank you so much American Snowbird."

**Veronica Ortiz-Briseño**

"I have had a great success gaining exposure for my listing by using American Snowbird's network of sites. The site was easy to navigate and served as a useful tool to help us secure two consecutive Winter bookings. We are also very impressed with the level of customer service offered."

"I am entering into my 2nd season as an owner. I rented 2 of 3 months this year and was able to book the third month locally and that was made easier by simply forwarding the link to my page so the people could see pics and information. I just booked a month in 2019 and I'm hopeful that the others will fill up soon. Thanks American Snowbird."
